WHO WE ARE?

Sparsh Social Foundation (SSF) is a **not-for-profit organization registered under Section 8 of the Company's Act 2013**. It was **registered in the year 2019**. It is headquartered in Delhi and works across the country. It started its journey way back in 2010 with the tribal women of Rayagada district of Odisha, helping them to realize their aspiration and potential for a better quality of life, henceforth empowering them socially and economically.

We expanded our beneficiary base, with inclusion of youths and children, enabling them through skill development, education and opportunities for livelihood. Also, helping the community to adopt practices of conservation of environment and natural resources. Use of renewable sources of energy.

We have impacted the lives of **over 1 lakh beneficiaries across 862 villages in 7 states and 1 Union Territory**. The journey continues with a stronger commitment to expanding and broadening our impact interventions, where strategic collaborations and partnerships play a catalytic role.

Vision:

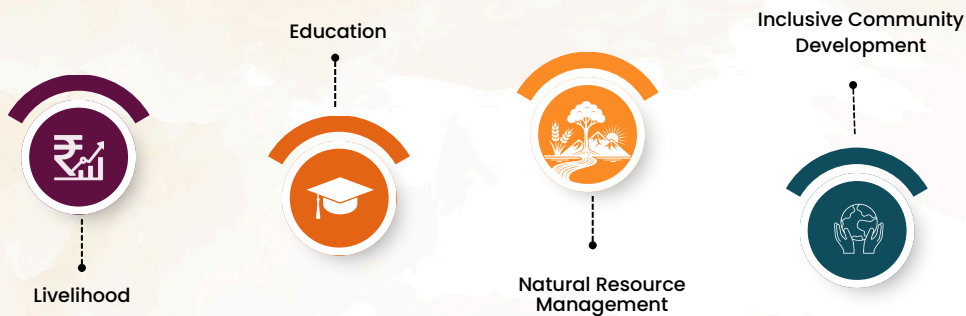

Creating Socially Harmonious and Financially Viable Communities.

Mission:

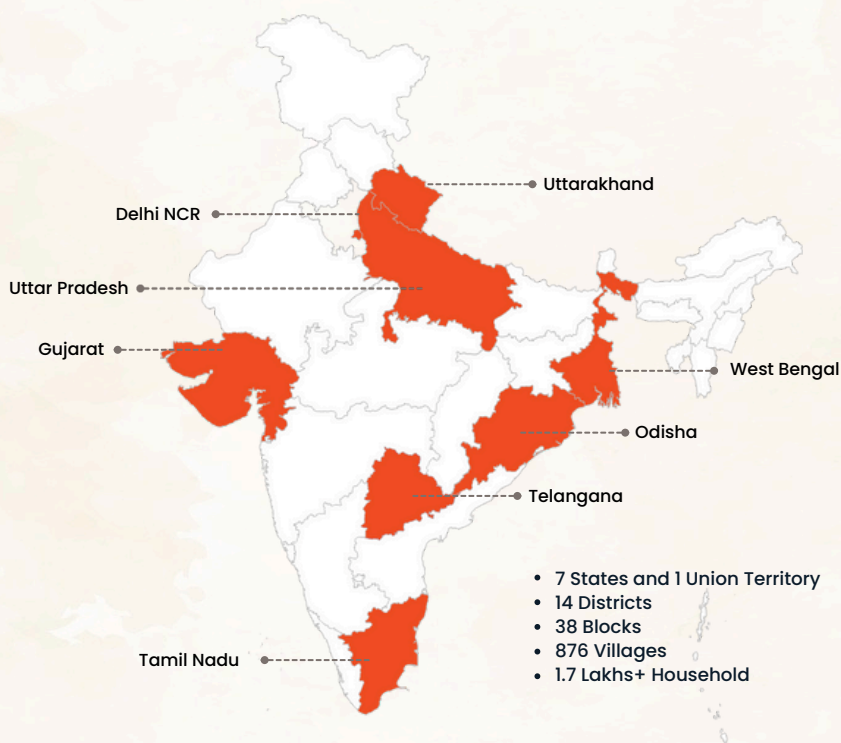

Transformation of Rural and Backward communities with use of technological innovation, promotion of community-based institutions and capacity enhancement for sustainable and inclusive development of societies.

IMPACT STORIES

Sustainable Farming

Rupai Huika from Rayagada, Odisha, with technical and input support from SSF, achieved a remarkable Rs. 1,32,000 gross income in one year by intensively cultivating Chilli, Tomato and Watermelon, serving as an inspiration to other.

Irrigation Support

Rajesh from Songadh, Gujarat, chose to stay in his village and practice farming. With SSF's support in irrigation and training, he adopted drip irrigation and grew cash crops. Today, he cultivates over 3 acres, earning Rs. 1.5 lakh annually and inspiring others in his village.

Women Empowerment through self help groups (SHGs)

Radha from Gajrula, Uttar Pradesh, once burdened by high-interest debts, joined a Sparsh-supported SHG. With low-interest loans and dairy training, she now owns two buffaloes, sells milk, and provides for her children independently.

Digital Learning Center

Jayanti, a school dropout, joined the SSF Digital Literacy Programme in Rayagada, Odisha and learned essential computer skills. She now works at a store, supports her family, and is preparing to complete her education.
